Mainly shear work and minimal clipper work to achieve a softer look

\$45

Kids Buzz

One clipper guard length all around

\$20

Beard Trim

Trim and Shape using razor blade with 1 hot towel

\$30

Classic Shave

Shave using a hot towel and steamer to soften facial hair and open pores, followed by pre-shave oil massaged into the skin, shaving cream is lathered and applied. Your barber begins to shave with the grain after which another hot towel is applied before the blade goes against the grain for a closer shave. Lastly, a cold towel is used to close the pores and prep the face for a refreshing after-shave balm.

**Hair & Beard Combos are \$5 off (i.e. Hair Cut & Classic Shave)*

*** We book each service for 30 minutes. We do our best to meet appointment times, however sometimes a short wait is not uncommon.
Please plan accordingly when booking your appointment. Thank you for your patience.*

****All services are finished with a neck shave and an aromatic hot towel for a refreshing feel.
Hair washes are complimentary with every haircut – just ask your Barber!*
